## **PROXY STATEMENT**

---

### **GENERAL INFORMATION**

We are providing this proxy statement in connection with the solicitation of proxies by and on behalf of our board of directors for use at our 2015 annual meeting of stockholders to be held on Wednesday, May 20, 2015, and at any adjournment or postponement of the meeting. We are furnishing our proxy materials to holders of our common stock as of the close of business on March 23, 2015. We began distributing a notice of internet availability of our proxy materials on or about March 31, 2015 to the holders of our common stock who hold their shares through a brokerage firm or other nominee (such as a banking institution, custodian, trustee or fiduciary) and not through our transfer agent, Computershare. We will begin mailing our 2015 annual meeting materials to the record holders of our common stock (shares held in the stockholder's name in certificate form or electronically with Computershare, our transfer agent, and not through a brokerage firm or other nominee) on or about April 9, 2015. Our mailed materials include:

- the accompanying notice of the 2015 annual meeting of stockholders;
- this proxy statement;
- our 2014 Annual Report to Stockholders, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2014; and
- the proxy card (or voting instruction form if you hold your shares through a brokerage firm or other nominee and not in your name in certificate form or electronically with our transfer agent, Computershare).

We are furnishing our 2014 annual report to all of our stockholders entitled to vote at the 2015 annual meeting. We are not incorporating the 2014 annual report into this proxy statement and you should not consider the annual report as proxy solicitation material. The accompanying notice of annual meeting of stockholders sets forth the time, place and purposes of the meeting. Our principal executive offices are located at Three Lincoln Centre, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697.

*Please refer to the Glossary of Terms on page ii for the definitions of certain terms used in this proxy statement.*

### **QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING**

**Q: What is the purpose of the annual meeting?**

**A:** At the annual meeting, stockholders will vote on the following, as described in this proxy statement:

- Proposal 1 – the election of the eight director nominees named in this proxy statement; and
- Proposal 2 – the adoption of a nonbinding advisory resolution that approves the named executive officer compensation described in this proxy statement (Say-on-Pay).

In addition, stockholders will vote on any other matter that may properly come before the meeting.

**Q: How does the board recommend that I vote?**

A: The board of directors recommends that you vote FOR:

- each of the nominees for director named in this proxy statement; and
- the approval and adoption of proposal 2 (Say-on-Pay).

**Q: Who is allowed to vote at the annual meeting?**

A: The board of directors has set the close of business on March 23, 2015 as the record date for the determination of stockholders entitled to notice of and to vote at the meeting. Only holders of our common stock as of the close of business on the record date are entitled to vote at the meeting. On the record date, 115,872,598 shares of our common stock were issued and outstanding. Each share of our common stock entitles its holder to one vote.

**Q: If I hold my shares through a brokerage firm or other nominee, why did I receive a notice regarding the internet availability of proxy materials instead of paper copies of the proxy materials?**

A: We are using the SEC notice and access rules to furnish proxy materials over the internet to our stockholders who hold our common stock through a brokerage firm or other nominee. If you hold your shares through a brokerage firm or other nominee, you can find instructions on how to access and review the proxy materials, and how to vote over the internet, on the notice of internet availability of proxy materials that you received. The notice also contains instructions on how you can receive a paper copy of this proxy statement, our 2014 Annual Report to Stockholders and a voting instruction form.

**Q: If I hold my shares through a brokerage firm or other nominee, how may I vote in person at the annual meeting?**

A: If you wish to vote in person at the annual meeting, you will need to follow the instructions on your notice of internet availability of proxy materials on how to obtain the appropriate documents to vote in person at the meeting.

**Q: How do I vote if I am a stockholder of record?**

A: If you hold shares of our common stock in your name in certificate form or electronically with our transfer agent, Computershare, and not through a brokerage firm or other nominee, you are a stockholder of record. As a stockholder of record, you may:

- vote over the internet at [www.investorvote.com/KRO](http://www.investorvote.com/KRO);
- vote by telephone using the voting procedures set forth on your proxy card;
- instruct the agents named on your proxy card how to vote your shares by completing, signing and mailing the enclosed proxy card in the envelope provided; or
- vote in person at the annual meeting.

**Q: What are the consequences if I am a stockholder of record and I execute my proxy card but do not indicate how I would like my shares voted for one or more of the director nominees named in this proxy statement or proposal 2 (Say-on-Pay)?**

A: If you are a stockholder of record (shares held in the stockholder's name in certificate form or electronically with Computershare, our transfer agent, and not through a brokerage firm or other nominee) the agents named on your proxy card will vote your shares on such uninstructed nominee or proposal as recommended by the board of directors in this proxy statement.

**Q: If I do not want to vote my shares in person at the annual meeting, how do I vote if my shares are held through a brokerage firm or other nominee?**

A: If your shares are held through a brokerage firm or other nominee, you must follow the instructions from your brokerage firm or other nominee on how to vote your shares. In order to ensure your brokerage firm or other nominee votes your shares in the manner you would like, you must provide voting instructions to your brokerage firm or other nominee by the deadline provided in the materials you received from your brokerage firm or other nominee.

***Brokerage firms or other nominees may not vote your shares on the election of a director nominee or proposal 2 (Say-on-Pay) in the absence of your specific instructions as to how to vote. We encourage you to provide instructions to your brokerage firm or other nominee regarding the voting of your shares. If you do not instruct your brokerage firm or other nominee how to vote with respect to the election of a director nominee or proposal 2 (Say-on-Pay), your brokerage firm or other nominee may not vote with respect to the election of such director nominee or on proposal 2 (Say-on-Pay) and your vote will be counted as a “broker/nominee non-vote.” “Broker/nominee non-votes” are non-votes by a brokerage firm or other nominee for shares held in a client’s account for which the brokerage firm or other nominee does not have discretionary authority to vote on a particular matter and has not received instructions from the client. How we treat broker/nominee non-votes is separately described in each of the answers below regarding what constitutes a quorum and the requisite votes necessary to elect a director nominee or approve proposal 2 (Say-on-Pay).***

**Q: Who will count the votes?**

A: The board of directors has appointed Computershare, our transfer agent and registrar, to ascertain the number of shares represented, tabulate the vote and serve as inspector of election for the meeting.

**Q: Is my vote confidential?**

A: Yes. All proxy cards, ballots or voting instructions delivered to Computershare will be kept confidential in accordance with our bylaws.

**Q: How do I change or revoke my proxy instructions if I am a stockholder of record?**

A: If you are a stockholder of record, you may change or revoke your proxy instructions in any of the following ways:

- delivering to Computershare a written revocation;
- submitting another proxy card bearing a later date;
- changing your vote on [www.investorvote.com/KRO](http://www.investorvote.com/KRO);
- using the telephone voting procedures set forth on your proxy card; or
- voting in person at the annual meeting.

**Q: How do I change or revoke my voting instructions if my shares are held through a brokerage firm or other nominee?**

A: If your shares are held through a brokerage firm or other nominee, you must follow the instructions from your brokerage firm or other nominee on how to change or revoke your voting instructions or how to vote in person at the annual meeting.

**Q: What constitutes a quorum?**

A: A quorum is the presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock entitled to vote at the meeting.

Shares that are voted “abstain” or “withheld” are counted as present and entitled to vote and are, therefore, included for purposes of determining whether a quorum is present at the annual meeting.

As already discussed in the previous answer regarding how to vote shares held through a brokerage firm or other nominee, there are no proposals for the 2015 annual meeting that would allow a brokerage firm or nominee to vote uninstructed shares. If a brokerage firm or other nominee receives no instruction for the election of any director nominee and proposal 2 (Say-on-Pay), such uninstructed shares will be counted as not entitled to vote and are, therefore, not considered for purposes of determining whether a quorum is present at the annual meeting. If a brokerage firm or other nominee receives instructions on the election of any director nominee or proposal 2 (Say-on-Pay), such instructed shares will be counted as present and entitled to vote and are, therefore, included for purposes of determining whether a quorum is present at the annual meeting.

Together, Valhi and NL held approximately 80.4% of the outstanding shares of our common stock as of the record date. Valhi and NL have each indicated its intention to have its shares of our common stock represented at the meeting. If Valhi alone attends the meeting in person or by proxy, the meeting will have a quorum present.

**Q: Assuming a quorum is present, what vote is required to elect a director nominee?**

A: A plurality of affirmative votes of the holders of our outstanding shares of common stock represented and entitled to vote at the meeting is necessary to elect each director nominee. You may indicate on your proxy card or in your voting instructions that you desire to withhold authority to vote for any of the director nominees. Since director nominees need only receive a plurality of affirmative votes from the holders represented and entitled to vote at the meeting to be elected, a vote withheld or a broker/nominee non-vote regarding a particular nominee will not affect the election of such director nominee.

Valhi and NL are the direct holders of 50.0% and 30.4%, respectively, of the outstanding shares of our common stock as of the record date and have each indicated its intention to have its shares of our common stock represented at the meeting and to vote such shares FOR the election of each of the director nominees named in this proxy statement. If Valhi alone attends the meeting in person or by proxy and votes as indicated, the stockholders will elect all of the nominees named in this proxy statement to the board of directors.

**Q: Assuming a quorum is present, what vote is required to adopt and approve proposal 2 (Say-on-Pay)?**

A: The stockholder resolution contained in this proposal provides that the nonbinding affirmative vote of the holders of the majority of the outstanding shares present in person or represented by proxy at the meeting and entitled to vote on the subject matter will be the requisite vote to adopt the resolution and approve the compensation of our named executive officers as such compensation is disclosed in this proxy statement. Abstentions will be counted as represented and entitled to vote and will therefore have the effect of a negative vote. Broker/nominee non-votes will not be counted as entitled to vote and will have no effect on this proposal.

As already mentioned, Valhi and NL are the direct holders of 50.0% and 30.4%, respectively, of the outstanding shares of our common stock as of the record date and have each indicated its intention to have its shares of our common stock represented at the meeting and to vote such shares FOR this nonbinding advisory proposal. If Valhi alone attends the meeting in person or by proxy and votes as indicated, the stockholders will, by a nonbinding advisory vote, approve this proposal.

**Q: Assuming a quorum is present, what vote is required to approve any other matter to come before the meeting?**

A: Except as applicable laws may otherwise provide, the approval of any other matter that may properly come before the meeting will require the affirmative votes of the holders of the majority of the outstanding shares represented and entitled to vote at the meeting. Abstentions will be counted as represented and entitled to vote and will therefore have the effect of a negative vote.

**Q: If I am a stockholder of record, how will the agents named on my proxy card vote on any other matter to come before the meeting?**

A: If you are a stockholder of record and to the extent allowed by applicable law, the agents named on your proxy card will vote in their discretion on any other matter that may properly come before the meeting.

**Q: Who will pay for the cost of soliciting the proxies?**

A: We will pay all expenses related to the solicitation, including charges for preparing, printing, assembling and distributing all materials delivered to stockholders. In addition to the solicitation by mail, our directors, officers and regular employees may solicit proxies by telephone or in person for which such persons will receive no additional compensation. Upon request, we will reimburse brokerage firms or other nominees for their reasonable out-of-pocket expenses incurred in distributing proxy materials and voting instructions to the beneficial owners of our common stock that hold such stock in accounts with such entities.

## CONTROLLING STOCKHOLDERS

Together, Valhi and NL own approximately 80.4% of the outstanding shares of our common stock. Valhi is the direct holder of approximately 83.0% of the outstanding shares of NL common stock as of the record date. Each of Valhi and NL has indicated its intention to have its shares of our common stock represented at the meeting and to vote such shares FOR the election of each of the director nominees named in this proxy statement and FOR proposal 2 (Say-on-Pay). - (3) The following is a description of certain related entities or persons that may be deemed to beneficially own outstanding shares of our common stock.

Lisa K. Simmons and Serena Simmons Connelly are daughters of the late Harold C. Simmons and co-trustees of the Harold C. Simmons Family Trust No. 1 and the Harold C. Simmons Family Trust No. 2.

Substantially all of the outstanding voting stock of Contran is held by the Family Trusts, which were established for the benefit of Ms. Lisa Simmons and Ms. Connelly and their children, or is held directly by Ms. Lisa Simmons and Ms. Connelly and/or persons or entities related to them, including their step-mother, Ms. Annette Simmons. Ms. Lisa Simmons, Ms. Connelly and Ms. Annette Simmons also serve as members of the board of directors of Contran. As co-trustees of each of the Family Trusts, each of Ms. Lisa Simmons and Ms. Connelly has the shared power to vote and direct the disposition of the shares of Contran stock held by each of the Family Trusts, and each of Ms. Lisa Simmons and Ms. Connelly has the power to vote and direct the disposition of shares of Contran stock they hold directly or which is held by other entities related to them.

Under a voting agreement entered into by the voting stockholders of Contran, effective as of February 3, 2014 and as amended, the size of the Contran board of directors was fixed at five members; Ms. Lisa Simmons, Ms. Connelly and Ms. Annette Simmons (and, in the event of their death, their heirs) each has the right to designate one of the five members of the Contran board; and the remaining two members of the Contran board must consist of Contran management. The voting agreement terminates in February 2017 (unless Ms. Lisa Simmons, Ms. Connelly and Ms. Annette Simmons otherwise mutually agree), and the ability of Ms. Lisa Simmons, Ms. Connelly and Ms. Annette Simmons to each designate one member of the Contran board is dependent upon each of their continued beneficial ownership of at least 5% of the combined voting stock of Contran. In accordance with such voting agreement, each of Ms. Lisa Simmons, Ms. Connelly and Ms. Annette Simmons has been designated as a member of the Contran board of directors, along with two members of Contran management.

The Survivor's Trust and another trust for which Ms. Annette Simmons is also the sole trustee own all of the outstanding shares of non-voting preferred stock issued by VHC, a parent of Valhi. Ms. Annette Simmons disclaims beneficial ownership of any shares that these trusts hold, except to the extent of her pecuniary interest in such shares, if any.

- (a) We and NL (including a wholly owned subsidiary of NL) own 1,724,916 shares and 14,372,970 shares, respectively, of Valhi common stock. Since we and NL are majority owned subsidiaries of Valhi, and pursuant to Delaware law, Valhi treats the shares of Valhi common stock that we and NL own as treasury stock for voting purposes. ## CORPORATE GOVERNANCE

***Controlled Company Status, Director Independence and Committees.*** Because of Valhi's direct and indirect ownership of approximately 80.4% of the outstanding shares of our common stock, we are considered a controlled company under the listing standards of the NYSE. Pursuant to the listing standards, a controlled company may choose not to have a majority of independent directors, independent compensation, nominations or corporate governance committees or charters for these committees. While we currently have a majority of independent directors, we have chosen not to have an independent nominations or corporate governance committee or charters for these committees. Our board of directors believes that the full board of directors best represents the interests of all of our stockholders and that it is appropriate for all matters that would otherwise be considered by a nominations, corporate governance or risk oversight committee to be considered and acted upon by the full board of directors. Applying the NYSE director independence standards without any additional categorical standards, our board of directors has determined that Keith R. Coogan, Cecil H. Moore, Jr., Thomas P. Stafford, R. Gerald Turner and C. Kern Wildenthal are independent and have no material relationship with us other than serving as our directors. While the members of our management development and compensation committee currently satisfy the independence requirements of the NYSE, we have chosen not to satisfy all of the NYSE corporate governance standards for a compensation committee, including not having a charter for our management development and compensation committee.

In determining that Dr. Turner has no material relationship with us other than serving as our director, the board of directors considered the following relationship:

- in 2013, Ms. Annette Simmons and her late husband made a commitment to donate \$25 million to Southern Methodist University, of which Dr. Turner is the president;
- pursuant to the commitment, Ms. Annette Simmons gave an initial \$5.0 million to the university in May 2014; and
- the \$5.0 million gift is less than 2.0% of SMU's consolidated gross revenues and SMU's consolidated gross revenues net of scholarship allowances, for its fiscal year ended May 31, 2014.

***2014 Meetings and Standing Committees of the Board of Directors.*** The board of directors held five meetings and took action by written consent on one occasion in 2014. Each director participated in at least 75% of such meetings and of the 2014 meetings of the committees on which he or she served at the time. It is expected that each director will attend our annual meeting of stockholders, which is held immediately before the annual meeting of the board of directors. All of our directors attended our 2014 annual stockholder meeting.

The board of directors has established and delegated authority to two standing committees, which are described below. The board of directors is expected to elect the members of the standing committees at the board of directors annual meeting immediately following the annual stockholder meeting. The board of directors from time to time may establish other committees to assist it in the discharge of its responsibilities.

***Audit Committee.*** Our audit committee assists with the board of directors' oversight responsibilities relating to our financial accounting and reporting processes and auditing processes. The purpose, authority, resources and responsibilities of our audit committee are more specifically set forth in its charter. Applying the requirements of the NYSE corporate governance standards (without additional categorical standards) and SEC regulations, as applicable, the board of directors has determined that:

- each member of our audit committee is independent, financially literate and has no material relationship with us other than serving as our director; and
- Mr. Cecil H. Moore, Jr. is an "audit committee financial expert."

No member of our audit committee serves on more than three public company audit committees. For further information on the role of our audit committee, see the Audit Committee Report in this proxy statement. The current members of our audit committee are Cecil H. Moore, Jr. (chairman), Keith R. Coogan, Gen. Thomas P. Stafford (retired), R. Gerald Turner and C. Kern Wildenthal. Our audit committee held seven meetings in 2014.

**Management Development and Compensation Committee.** The principal responsibilities of our management development and compensation committee are:

- to recommend to the board of directors whether or not to approve any proposed charge to us or any of our privately held subsidiaries pursuant to our ISA with Contran;
- to review certain matters regarding our employee benefit plans or programs, including discretionary incentive bonuses and salaries we pay;
- to review, approve, administer and grant awards under our equity compensation plan; and
- to review and administer such other compensation matters as the board of directors may direct from time to time.

As discussed above, the board of directors has determined that each member of our management development and compensation committee is independent by applying the NYSE director independence standards (without additional categorical standards). The management development and compensation committee may delegate to its members or our officers any or all of its authority as it may choose subject to certain limitations of Delaware law on what duties directors may delegate. The committee has not exercised this right of delegation. With respect to the role of our executive officers in determining or recommending the amount or form of executive compensation, see the Compensation Discussion and Analysis section of this proxy statement. With respect to director cash compensation, our executive officers make recommendations on such compensation directly to our board of directors for its consideration without involving the management development and compensation committee. The current members of our management development and compensation committee are R. Gerald Turner (chairman), Keith R. Coogan, Thomas P. Stafford and C. Kern Wildenthal. Our management development and compensation committee held one meeting in 2014.

**Risk Oversight.** Our board of directors oversees the actions we take in managing our material risks. Our management is responsible for our day-to-day management of risk. The board's oversight of our material risks is undertaken through, among other things, various reports and assessments that management presents to the board and the related board discussions. The board has delegated some of its primary risk oversight to our audit committee and management development and compensation committee. Our audit committee annually receives management's reports and assessments on, among other things, the risk of fraud, certain material business risks and a ranking of such material business risks and our insurance program. The audit committee also receives reports from our independent registered public accounting firm regarding, among other things, financial risks and the risk of fraud. Our management development and compensation committee receives management's assessments on the likelihood that our compensation policies and practices could have a material adverse effect on us, as more fully described in the Compensation Policies and Practices as They Relate to Risk Management section of this proxy statement. The audit committee and management development and compensation committee report to the board of directors about their meetings. We believe the leadership structure of the board of directors is appropriate for our risk oversight.

**Identifying and Evaluating Director Nominees.** Historically, our management has recommended director nominees to the board of directors. As stated in our corporate governance guidelines:

- our board of directors has no specific minimum qualifications for director nominees;
- each nominee should possess the necessary business background, skills and expertise at the policy-making level and a willingness to devote the required time to the duties and responsibilities of membership on the board of directors; and
- the board of directors believes that experience as our director is a valuable asset and that directors who have served on the board for an extended period of time are able to provide important insight into our current and future operations.

In identifying, evaluating and determining our director nominees, the board of directors follows such corporate governance guidelines. The board also considers the nominee's ability to satisfy the need, if any, for required expertise on the board of directors or one of its committees. While we do not have any policy regarding the

diversity of our nominees, the board does consider diversity in the background, skills and expertise at the policy making level of our director nominees, and as a result our board believes our director nominees possess a diverse range of senior management experience that aids the board in fulfilling its responsibilities. The board of directors believes its procedures for identifying and evaluating director nominees are appropriate for a controlled company under the NYSE corporate governance standards.

***Leadership Structure of the Board of Directors and Independent Director Meetings.*** Steven L. Watson serves as our chairman of the board and Bobby D. O'Brien serves as our chief executive officer. Pursuant to our corporate governance guidelines, our independent directors are entitled to meet on a regular basis throughout the year, and will meet at least once annually, without the participation of our other directors who are not independent. While we do not have a lead independent director, the chairman of our audit committee presides at all of the meetings of our independent directors. The board of directors believes our leadership structure is appropriate for a controlled company under the NYSE corporate governance standards. The board of directors believes our leadership structure is appropriate because the board recognizes that while there is no single organizational structure that is ideal in all circumstances, the board believes that having different individuals serve as our chairman of the board and as our chief executive officer reflects their established working relationship regarding our business and provides an appropriate breadth of experience and perspective that effectively facilitates the formulation of our long-term strategic direction and business plans. In addition, the board of directors believes that since both of the individuals are employees of Conran, their respective service as our chairman of the board and our chief executive officer is beneficial in providing strategic leadership for us since there is a commonality of interest that is closely aligned in building long-term stockholder value for all of our stockholders. In 2014, we complied with the NYSE requirements for meetings of our independent directors.

***Stockholder Proposals and Director Nominations for the 2016 Annual Meeting of Stockholders.*** Stockholders may submit proposals on matters appropriate for stockholder action at our annual stockholder meetings, consistent with rules adopted by the SEC. We must receive such proposals not later than December 2, 2015 to be considered for inclusion in the proxy statement and form of proxy card relating to our annual meeting of stockholders in 2016. Our bylaws require that the proposal must set forth a brief description of the proposal, the name and address of the proposing stockholder as they appear in our records, the number of shares of our common stock the stockholder holds and any material interest the stockholder has in the proposal.

The board of directors will consider the director nominee recommendations of our stockholders in accordance with the process discussed above. Our bylaws require that a nomination set forth the name and address of the nominating stockholder, a representation that the stockholder will be a stockholder of record entitled to vote at the annual stockholder meeting and intends to appear in person or by proxy at the meeting to nominate the nominee, a description of all arrangements or understandings between the stockholder and the nominee (or other persons pursuant to which the nomination is to be made), such other information regarding the nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC and the consent of the nominee to serve as a director if elected.

For proposals or director nominations to be brought at the 2016 annual meeting of stockholders but not included in the proxy statement for such meeting, our bylaws require that the proposal or nomination must be delivered or mailed to our principal executive offices in most cases no later than February 15, 2016. Proposals and nominations should be addressed to our corporate secretary at Kronos Worldwide, Inc., Three Lincoln Centre, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697.

***Communications with Directors.*** Stockholders and other interested parties who wish to communicate with the board of directors or its independent directors may do so through the following procedures. Such communications not involving complaints or concerns regarding accounting, internal accounting controls and auditing matters related to us may be sent to the attention of our corporate secretary at Kronos Worldwide Inc., Three Lincoln Centre, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697. Provided that any such communication relates to our business or affairs and is within the function of our board of directors or its committees, and does not relate to insignificant or inappropriate matters, such communication, or a summary of such communication, will be forwarded to the chairman of our audit committee, who also serves as the presiding director of our independent director meetings.

Complaints or concerns regarding accounting, internal accounting controls and auditing matters, which may be made anonymously, should be sent to the attention of our general counsel with a copy to our chief financial officer at the same address as our corporate secretary. These complaints or concerns will be forwarded to the chairman of our audit committee. We will investigate and keep these complaints or concerns confidential and anonymous, to the extent feasible, subject to applicable law. Information contained in such a complaint or concern may be summarized, abstracted and aggregated for purposes of analysis and investigation.

***Compensation Committee Interlocks and Insider Participation.*** As discussed above, for 2014 the management development and compensation committee was composed of R. Gerald Turner, Keith R. Coogan, Thomas P. Stafford and C. Kern Wildenthal. No member of the committee:

- was an officer or employee of ours during 2014 or any prior year;
- had any related party relationships with us that requires disclosure under applicable SEC rules; or
- had any interlock relationships under applicable SEC rules.

For 2014, no executive officer of ours had any interlock relationships within the scope of the intent of applicable SEC rules. However, at certain times in 2014 each of Steven L. Watson and Bobby D. O'Brien was an executive officer of ours and on the board of directors of Contran when he concurrently served as one of our directors.

***Code of Business Conduct and Ethics.*** We have adopted a code of business conduct and ethics. The code applies to all of our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer and controller. Only the board of directors may amend the code. Only our audit committee or other committee of the board of directors with specifically delegated authority may grant a waiver of this code. We will disclose amendments to or waivers of the code as required by law and the applicable rules of the NYSE.

***Corporate Governance Guidelines.*** We have adopted corporate governance guidelines to assist the board of directors in exercising its responsibilities. Among other things, the corporate governance guidelines provide for director qualifications, for independence standards and responsibilities, for approval procedures for ISAs and that our audit committee chairman preside at all meetings of the independent directors.

***Availability of Corporate Governance Documents.*** A copy of each of our audit committee charter, code of business conduct and ethics and corporate governance guidelines is available on our website at [www.kronosww.com](http://www.kronosww.com) under the corporate governance section of the investor relations page.

## COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS AND OTHER INFORMATION

**Compensation Discussion and Analysis.** This compensation discussion and analysis describes the key principles and factors underlying our executive compensation policies for our named executive officers. We employed two of our named executive officers in each of the last three years. The rest of our named executive officers who provided their services to us in the last three years under our ISA with Contran were employed and compensated directly by Contran.

As defined in the Glossary of Terms at the beginning of this proxy statement, the phrase “named executive officers” refers to the six persons whose compensation is summarized in the 2014 Summary Compensation Table in this proxy statement. Such phrase is not intended, and does not, refer to all of our executive officers.

**Nonbinding Advisory Stockholder Vote on Executive Officer Compensation.** For the 2014 annual meeting of stockholders, we submitted a nonbinding advisory proposal recommending the stockholders adopt a resolution approving the compensation of our named executive officers as disclosed in the 2014 proxy statement. At the annual meeting, the resolution received the affirmative vote of 93.8% of the eligible votes. We considered the favorable result and determined not to make any material changes to our compensation practices.

**Compensation of our Named Executive Officers Employed by Us.** In each of the last three years, we employed the following named executive officers:

Name	Position(s)
Klemens T. Schlüter .....	Chief Operating Officer — Global Operations
Benjamin R. Corona .....	President, Global Sales Management

**Overview.** Prior to 2012, we decided to forego long-term compensation (other than defined benefit and contribution retirement plans), and implemented a compensation program that is primarily cash-based, with minimal perquisites. Our objectives for the primarily cash-based compensation program as it relates to our named executive officers employed by us are to:

- have a total individual compensation package that is easy to understand; and
- achieve a balanced compensation package that would attract and retain highly qualified executive officers and appropriately reflect each such officer’s individual performance, contributions and general market value.

As a result, annual compensation for our named executive officers employed by us primarily consists of base salaries and discretionary bonuses.

For each of the last three years, we considered our financial performance as one factor, without any specific weighting of this factor, in determining the compensation to be paid to our named executive officers employed by us. We determined the amount of each component of such compensation solely in our collective business judgment and experience, without performing any independent market research. We have not entered into any written employment agreements with our employed named executive officers other than for Mr. Schlüter. Pursuant to European law, we provide all our employees in Europe, including Mr. Schlüter, with written documentation of the essential aspects of their employment relationship with us including their base compensation, notice periods and pension program.

**Base Salaries.** We have established the annual base salary for each of our employed named executive officers based on his level of responsibility and experience. We pay this portion of each of our employed named executive officer’s compensation to provide him with a reliable amount of compensation for the year, subject to his continued at-will employment and satisfactory performance for his services at the level of his responsibilities. Based on the recommendation of our chief financial officer, our chief executive officer approved any annual adjustments to the salary of our employed named executive officers. These salary adjustments were subsequently

reported to our management development and compensation committee. All of these recommendations and the determinations are based on:

- our evaluations of the past year annual base-salary amounts with adjustments made as a result of our past and expected future financial performance, inflation, past and potential future individual performance and contributions or alternative career opportunities that might be available to our named executive officers employed by us, although we do not have any specific formula for applying these factors; and
- our collective business judgment and experience, without performing any independent market research.

Salary increases implemented for the last three years, including those for our employed named executive officers, reflected the factors indicated above.

We did not utilize any specific measure of, or formula based upon, our financial performance in determining the amount of these increases. We do consider our financial performance as one factor, without any specific weighting of this factor, in determining these increases. The salary for each of our named executive officers employed by us is disclosed in his salary column in the 2014 Summary Compensation Table in this proxy statement.

**Discretionary Incentive Bonuses.** For each of the last three years, after considering all relevant factors, and based on the recommendation of our chief financial officer, our chief executive officer approved the payment of discretionary incentive bonuses in cash to our key employees, including our employed named executive officers. We paid these bonuses in order to, among other things, reward each key employee for his performance for the applicable year and motivate him to achieve higher levels of performance in attaining our corporate goals. In considering whether it would be appropriate to pay discretionary incentive bonuses for the applicable year, and in what amounts, our chief executive officer performed a discretionary evaluation of all relevant factors, such as our actual results achieved in that year, our financial condition and liquidity and the responsibility, performance, attitude and potential of each of our key employees, including our employed named executive officers.

Prior to the payment of any discretionary bonuses to our key employees, including our employed named executive officers, our management development and compensation committee receives a report from management regarding its plans for such bonus payments.

In determining the amount of the discretionary incentive bonuses for each of the last three years paid to our employed named executive officers, we did not utilize any specific overall performance measures or any specific measure of, or formula based upon, our financial results. As already discussed, however, we did consider our overall financial performance as one factor in determining to pay such bonuses. Additionally, we used no specific weighting of factors in the determination of the applicable year's discretionary incentive bonuses paid to our key employees, including our named executive officers employed by us. The discretionary incentive bonus for each of our named executive officers employed by us is disclosed in his bonus column in the 2014 Summary Compensation Table in this proxy statement.

**Defined Benefit Plans.** Historically, we offered pension plan benefits to our employees, including our employed named executive officers. However, to reduce our pension liabilities and promote retirement savings through defined contribution plans or as similar a plan as foreign jurisdictions may allow, we closed participation in the Bayer Pensionskasse defined benefit pension plan to employees hired by our German operations on or after January 1, 2005, and we suspended all future accruals under our U.S. defined benefit pension plan and closed the plan to new participants in 1996.

Mr. Schlüter participates in the Bayer Pensionskasse and is the only employed named executive officer who participates in a pension plan that continues to accrue benefits on behalf of its participants. The increase or decrease for financial statement reporting purposes in the actuarial present value of accumulated pension benefits under this plan for Mr. Schlüter for 2014 is disclosed in his change in pension value and nonqualified deferred compensation earnings column in the 2014 Summary Compensation Table.

Historically, we offered non-qualified, unfunded, defined benefit supplemental retirement plans to our executive officers to compensate them for certain income restrictions that affected their participation level under our pension plans. Prior to 2012, we terminated these supplemental retirement plans for our domestic employees. Currently, Mr. Schlüter is the only named executive officer that continues to accrue benefits under such a supplemental plan. Mr. Schlüter's supplement defined benefit compensation is provided by the Supplemental Pension Promise and the Individual Pension Promise provided by our German operations. The increase or decrease for financial statement reporting purposes in the actuarial present value of Mr. Schlüter's accumulated benefit under these supplemental plans for 2014 is disclosed in his change in pension value and nonqualified deferred compensation earnings column (or related footnote) in the 2014 Summary Compensation Table.

See the Pension Benefits section in this proxy statement for descriptions of each of these plans and additional information regarding Mr. Schlüter's benefits under them.

**Defined Contribution Plans.** To promote retirement savings for our employees, we pay annual discretionary matching contributions to our domestic employees, including Mr. Corona, under our savings plan, which is a 401(k) defined contribution plan. For 2014, and based upon the recommendation of our chief financial officer, our chief executive officer approved the payment of a discretionary matching contribution to each participant's account under our savings plan at 50% of the participant's contributions for the plan year up to 8% of the participant's annual eligible compensation as defined in the plan. We considered our financial performance and the desire to motivate the participants to save for their retirement as two factors, without any specific weighting of any factors, in making this discretionary determination for 2014. Our management development and compensation committee received a general report from management on the discretionary matching contribution for 2014. If we pay any discretionary matching contributions to the participants in our savings plan for 2015, the matching contributions will be determined on a similar discretionary basis. The amount of Mr. Corona's discretionary matching contribution for 2014 is included in his all other compensation column in the 2014 Summary Compensation Table in this proxy statement.

**Equity-Based Compensation.** Prior to 2012, we decided to forego the grant of any equity compensation to our employees, including our named executive officers employed by us. We also do not have any security ownership requirements or guidelines for our employees.

**Perquisites and Other Personal Benefits.** In each of the last three years, we paid certain perquisites or other personal benefits to our named executive officers employed by us. For each of the last three years, we paid annual automobile expenses for Mr. Schlüter. The cost of these perquisites and other personal benefits for Mr. Schlüter is included in his all other compensation column of the 2014 Summary Compensation Table.

*Compensation of our Named Executive Officers Employed by Contran.* In each of the last three years, certain of our named executive officers were employed by Contran and provided their services to us pursuant to our ISA with Contran. Our named executive officers who provide services to us pursuant to our ISA with Contran are as follows:

<u>Name</u>	<u>Positions with Kronos Worldwide</u>
Steven L. Watson	Chairman of the Board
Bobby D. O'Brien	Vice Chairman of the Board, President and Chief Executive Officer
Kelly D. Luttmer	Executive Vice President and Global Tax Director
Gregory M. Swalwell	Executive Vice President and Chief Financial Officer

The nature of the duties of each of our executive officers who are employees of Contran is consistent with the duties normally associated with the officer titles and positions such officer holds with us. Each of these persons also serves as an executive officer of Contran.

**Intercorporate Services Agreement with Contran.** We pay Contran a fee for services provided by Contran to us pursuant to our ISA with Contran, which fee was approved by our independent directors after receiving the recommendation of our management development and compensation committee and the concurrence of our chief financial officer. Such services provided under this ISA included the services of our named executive officers employed by Contran, and as a result a portion of the aggregate ISA fee we pay to Contran is paid with respect to the services provided to us by such named executive officers.

The charge under this ISA reimburses Contran for its cost of employing the personnel who provide the services by allocating such cost to us based on the estimated percentage of time such personnel were expected to devote to us over the year. The amount of the fee we paid for each year under this ISA for a person who provided services to us represents, in management's view, the reasonable equivalent of "compensation" for such services. See the Intercorporate Services Agreements part of the Certain Relationships and Transactions section of this proxy statement for the aggregate amount we paid to Contran in 2014 under this ISA. Under the various ISAs among Contran and its subsidiaries and affiliates, we share the cost of the employment of our named executive officers employed by Contran with Contran and certain of its other publicly and privately held subsidiaries. For our named executive officers employed by Contran, the portion of the annual charge we paid for each of the last three years to Contran under this ISA attributable to each of their services is set forth in footnote 3 to the 2014 Summary Compensation Table in this proxy statement. As discussed further below, the amount charged under the ISA is based upon Contran's cost of employing or engaging the personnel who provide the services to us (including the services of our named executive officers employed by Contran) by allocating such cost to us based on the estimated percentage of time such personnel were expected to devote to us over the year. The amount charged under the ISA is not dependent upon our financial performance.

We believe the cost of the services received under our ISA with Contran, after considering the quality of the services received, is fair to us and is no less favorable to us than we could otherwise obtain from an unrelated third party for comparable services, based solely on our collective business judgment and experience without performing any independent market research.

In the early part of each year, Contran's management, including certain of our named executive officers, estimates the percentage of time that each Contran employee, including certain of our named executive officers, is expected to devote in the upcoming year to Contran and its subsidiaries and affiliates, including us. Contran's management then allocates Contran's cost of employing each of its employees among Contran and its various subsidiaries and affiliates based on such estimated percentages. Contran's aggregate cost of employing each of its employees comprises:

- the annualized base salary of such employee at the beginning of the year;
- an estimate of the bonus Contran will pay or accrue for such employee (other than bonuses for specific matters) for the year, using as a reasonable approximation for such bonus the actual bonus that Contran paid or accrued for such employee in the prior year; and
- Contran's portion of the social security and medicare taxes on such base salary and an estimated overhead factor (25% for each of 2014, 2013 and 2012) applied to the base salary for the cost of medical and life insurance benefits, unemployment taxes, disability insurance, defined benefit and defined contribution plan benefits, professional education and licensing and costs of providing an office, equipment and supplies related to providing such services.

Contran's senior management subsequently made such adjustments to the details of the proposed ISA charge as they deemed necessary for accuracy, overall reasonableness and fairness to us.

In the first quarter of each year, the proposed charge for that year under our ISA with Contran was presented to our management development and compensation committee, and the committee considered whether to recommend that our board of directors approve the ISA charge. Among other things during such presentation, the committee was informed of:

- the quality of the services Contran provides to us, including the quality of the services certain of our executive officers provide to us;
- for comparative purposes, the \$1.0 million charge to us in 2012 and 2013 for the services of Harold C. Simmons as our chairman of the board prior to his death on December 28, 2013, and the lack of such \$1.0 million charge to us in 2014;
- the comparison of the ISA charge and number of full-time equivalent employees reflected in the charge by department for the prior year and proposed for the current year;

- the comparison of the prior year and proposed current year charges by department and in total and such amounts as a percentage of Contran's similarly calculated costs for its departments and in total for those years;
- the comparison of the prior year and proposed current year average hourly rate; and
- the concurrence of our chief financial officer as to the reasonableness of the proposed charge.

In determining whether to recommend that the board of directors approve the proposed ISA fee to be charged to us, the management development and compensation committee considers the three elements of Contran's cost of employing the personnel who provide services to us, including the cost of employing certain of our named executive officers, in the aggregate and not individually. After considering the information contained in such presentations, and following further discussion and review, our management development and compensation committee recommended that our board of directors approve the proposed ISA fee after concluding that:

- the cost to employ the additional personnel necessary to provide the quality of the services provided by Contran would exceed the proposed aggregate fee to be charged by Contran to us under our ISA with Contran; and
- the cost for such services would be no less favorable than could otherwise be obtained from an unrelated third party for comparable services in the committee's collective business judgment and experience, without performing any independent market research.

In reaching its recommendation, our management development and compensation committee did not review:

- any ISA charge from Contran to any other publicly held parent or sister company, although such charge was separately reviewed by the management development and compensation committee of the applicable company; and
- the compensation policies of Contran or the amount of time our named executive officers employed by Contran are expected to devote to us because:
  - o each of our named executive officers employed by Contran provides services to many companies related to Contran, including Contran itself;
  - o the fee we pay to Contran under our ISA with Contran each year does not represent all of Contran's cost of employing each of such named executive officers;
  - o Contran and these other companies related to Contran absorb the remaining amount of Contran's cost of employing each of such named executive officers; and
  - o the members of our management development and compensation committee consider the other factors discussed above in determining whether to recommend that the proposed ISA fee for each year be approved by the full board of directors.

Based on the recommendation of our management development and compensation committee, as well as the concurrence of our chief financial officer, our independent directors approved the proposed annual ISA charge effective January 1, 2014, with our other directors abstaining.

For financial reporting and income tax purposes, the ISA fee is expensed as incurred on a quarterly basis. Contran has implemented a limit of \$1.0 million on any individual's charge to a publicly held company in order to enhance the deductibility by the company of the charge for tax purposes under Section 162(m) of the Internal Revenue Code of 1986, if such section were to be deemed applicable. Section 162(m) generally disallows a tax deduction to publicly held companies for non-performance based compensation over \$1.0 million paid to the company's chief executive officer and four other most highly compensated executive officers.

*Director Fees, including Equity-Based Compensation.* We paid director fees in the form of cash and stock compensation to certain of our named executive officers who provide their services to us pursuant to our ISA with Contran and who also served on our board of directors. Other than these director fees, we did not pay any compensation directly to such named executive officers. See the Director Compensation section of this proxy statement.

The 2014 Summary Compensation Table sets forth in footnote 3 the cash fees we paid to each of Messrs. Watson and O'Brien for his director services. The director fees paid to them are the annual director retainer fees and the fees for attending board meetings, as our named executive officers who also serve on our board of directors are not members of any board committee.

The 2014 Summary Compensation Table sets forth in footnote 4 the director stock grants we paid to each of Messrs. Watson and O'Brien for his director services. See the 2014 Grants of Plan-Based Awards section in this proxy statement for a discussion of these annual grants and the formula by which the stock awards are determined. The stock grants Messrs. Watson and O'Brien received were pursuant to the same formula used for all directors. The dollar amount of the stock awards appearing in the 2014 Summary Compensation Table represents the value recognized for financial statement reporting purposes of shares of common stock we granted to Messrs. Watson and O'Brien for his director services.

Prior to 2012, we decided to forego the grant of any equity compensation other than annual awards of stock to our directors, as discussed above. We also do not have any security ownership requirements or guidelines for our management or directors. We do not currently anticipate any equity-based compensation will be granted in 2015, other than the annual grants of stock to our directors.

**Deductibility of Compensation.** It is our general policy to structure the performance-based portion of the compensation of our executive officers, if any, in a manner that enhances our ability to deduct fully such compensation under Section 162(m) of the Internal Revenue Code.

*Compensation Committee Report.* The management development and compensation committee has reviewed with management the Compensation Discussion and Analysis section in this proxy statement. Based on the committee's review and a discussion with management, the committee recommended to the board of directors that our compensation discussion and analysis be included in this proxy statement.

The following individuals, in the capacities indicated, hereby submit the foregoing report.

**Summary of Cash and Certain Other Compensation of Executive Officers.** The 2014 Summary Compensation Table below provides information concerning compensation we and our subsidiaries paid or accrued for services rendered during the last three years by our chief executive officer, chief financial officer and each of the three other most highly compensated individuals (in certain instances, based on ISA charges to us) who were our executive officers at December 31, 2014. Messrs. Steven L. Watson, Bobby D. O'Brien, Gregory M. Swalwell and Ms. Kelly D. Luttmer were employees of Contran for the last three years and provided their services to us and our subsidiaries pursuant to our ISA with Contran. For a discussion of this ISA, see the Intercorporate Services Agreements part of the Certain Relationships and Transactions section of this proxy statement.

- (1) Certain non-applicable columns have been omitted from this table.
- (2) During 2014, Messrs. O'Brien and Watson each served as our chief executive officer. 2014 is the first year that Ms. Luttmer and Mr. O'Brien are named executive officers. Mr. Corona is a named executive officer only for 2013 and 2014.
- (3) The amounts shown in the 2014 Summary Compensation Table as salary for each of these named executive officers include the portion of the fees we paid pursuant to our ISA with Contran with respect to the services such officer rendered to us and our subsidiaries. The ISA charges disclosed for Contran employees who perform executive officer services to us and our subsidiaries are based on various factors described in the Compensation Discussion and Analysis section of this proxy statement. Our management development and compensation committee considers the factors described in the Compensation Discussion and Analysis section of this proxy statement in determining whether to recommend that our board of directors approve the aggregate proposed ISA fee with Contran. As discussed in the Compensation Discussion and Analysis section of this proxy statement, our management development and compensation committee does not consider any ISA charge from Contran to any other publicly held parent or sister company of ours, although such charge is separately reviewed by the management development and compensation committee of the applicable company. The amounts shown in the table as salary for Messrs. Watson and O'Brien also include director cash compensation we paid to each of them for each of the last three years, as applicable. The components of salary shown in the 2014 Summary Compensation Table for each of these named executive officers are as follows.

- (a) Our board of directors first elected Mr. O'Brien to our board of directors on February 19, 2014 and accordingly, his director compensation reflects that he did not serve as a director for all of 2014.
- (4) Stock awards to these named executive officers in the last three years consisted of shares of our common stock we granted to Messrs. Watson and O'Brien for their director services. See the 2014 Grants of Plan-Based Awards Table below for more details regarding the 2014 grants. The stock awards consisted of the following:

Shares of our Common Stock	Date of Grant	Closing Price on Date of Grant	Grant Date Value of Shares of our Common Stock
1,000	May 21, 2014	\$14.72	\$14,720
1,000	May 8, 2013	17.68	17,680
500	May 10, 2012	20.32	10,160

These stock awards were valued at the closing price of a share of our common stock on the date of grant, consistent with the requirements of Financial Accounting Standards Board Accounting Standards Codification Topic 718.

- (5) Mr. Schlüter receives his compensation in euros. We report these amounts in the 2014 Summary Compensation Table above in U.S. dollars based on an annual average exchange rate of \$1.3380 per €1.00 for 2014, \$1.3240 per €1.00 for 2013 and \$1.2876 per €1.00 for 2012.
- (6) Represents a discretionary incentive bonus we paid to this named executive officer for 2012, 2013 and 2014, as applicable. See our discussion of the discretionary bonuses in the Compensation Discussion and Analysis section of this proxy statement.
- (7) These amounts represent the following changes in the actuarial present value of Mr. Schlüter's accumulated benefit under the following plans for financial statement reporting purposes:

Year	Bayer Pensionskasse (a)	Supplemental Pension Promise (b)	Individual Pension Promise (c)	Total
2014	\$39,835	\$79,298	\$17,020	\$136,153
2013	13,207	28,395	689	42,291
2012	38,076	73,877	20,609	132,562

- (a) A defined benefit pension plan for employees of our German operations.
- (b) A non-qualified, unfunded defined benefit supplemental retirement plan for employees of our German operations that supplements their pension benefits.
- (c) A non-qualified, unfunded defined benefit supplemental retirement plan for certain highly compensated employees of our German operations that also supplements their pension benefits.

For purposes of calculating these changes in the present value of Mr. Schlüter's accumulated benefits, we assumed the following (actual benefits will be based on actual future facts and circumstances):

- his credited service and eligible earnings as of the measurement date for each fiscal year we used for financial statement reporting purposes for these plans would not change;

- his retirement at February 1, 2022 since he is eligible to retire without reducing his benefits at such date;
- the commencement of the payments of his benefits under these plans at February 1, 2022 since he is eligible to retire without reducing his benefits at such date;
- payments continuing for his life expectancy derived from a mortality table; and
- discount rate for present value calculations of 2.25% at December 31, 2014, 3.5% at each of December 31, 2013 and 2012 and 5.5% at December 31, 2011, which rates are the same rates we used for financial statement reporting purposes in determining the present value of our aggregate accumulated benefits for all participants under these plans.

For more details regarding these pension plan benefits, see the Pension Benefits section of this proxy statement.

(8) Represents an annual car allowance we pay for the benefit of Mr. Schlüter.

(9) As shown below, all other compensation for Mr. Corona consisted of the following payments for his benefit:

- matching contributions pursuant to the savings feature of our savings plan; and
- life insurance premiums, accidental death and dismemberment premiums and the cash surrender value of his prior universal life insurance.

Named Executive Officer	Year	Savings Plan Match	Life Insurance Premiums (a)	Cash Surrender Value of Life Insurance (a)	Total
Benjamin R. Corona ....	2014	\$10,400	\$1,680	\$12,706	\$24,786
	2013	10,200	3,280	-0-	13,480

(a) The life insurance benefits we provided changed from universal life insurance to term life insurance plus accidental death and dismemberment insurance as of January 1, 2014. Mr. Corona was given the option to assume the prior universal life insurance policy. He surrendered the prior universal life insurance policy and received the \$12,706 cash surrender value of the policy.

See the discussion of our savings plan contributions in the Compensation Discussion and Analysis section of this proxy statement.

**2014 Grants of Plan-Based Awards.** The following table sets forth details of the stock awards we granted to certain of our named executive officers in 2014 for their services as directors. Other than such stock awards, and as already discussed, we did not pay any plan-based incentive compensation in 2014. Messrs. Corona, Schlüter and Swalwell and Ms. Luttmer were not eligible to receive any of our plan-based awards in 2014.

**2014 GRANTS OF PLAN-BASED AWARDS (1)**

<b>Name</b>	<b>Grant Date</b>	<b>Date of Approval (2)</b>	<b>All Other Stock Awards: Number of Shares of Stock or Units (#) (2)</b>	<b>Grant Date Fair Value of Stock and Option Awards (2)(3)</b>
Steven L. Watson.....	05/21/14	05/10/12	1,000	\$14,720
Bobby D. O'Brien.....	05/21/14	05/10/12	1,000	14,720

(1) Certain non-applicable columns have been omitted from this table.

(2) As preapproved by our management development and compensation committee, on the day of each of our annual stockholder meetings each of our directors elected on that day receives a grant of shares of our common stock under our 2012 Director Stock Plan as determined by the following formula based on the closing price of a share of our common stock on the date of such meeting.

<b>Range of Closing Price Per Share on the Date of Grant</b>	<b>Shares of Common Stock to Be Granted</b>
Under \$5.00	2,000
\$5.00 to \$9.99	1,500
\$10.00 to \$20.00	1,000
Over \$20.00	500

These shares are fully vested and tradable immediately on their date of grant, other than restrictions under applicable securities laws. For the purposes of this table, we valued these stock awards at the \$14.72 closing price per share of our common stock on their date of grant, consistent with the requirements of Financial Accounting Standards Board Accounting Standards Codification Topic 718.

**No Outstanding Equity Awards at December 31, 2014.** We have never granted any stock options to purchase shares of our common stock or shares of our common stock that were subject to vesting restrictions. At December 31, 2014, none of our named executive officers held any stock options exercisable for shares of common stock of our parent or subsidiary corporations or held any equity incentive awards for such shares.

**No Option Exercises or Stock Vested.** None of our named executive officers held shares of our stock or of our parent or subsidiary corporations that were subject to vesting restrictions in 2014. During 2014, no named executive officer exercised any stock options issued by us. For stock awards granted in 2014 to Messrs. Watson and O'Brien that had no vesting restrictions, see the 2014 Grants of Plan-Based Awards Table above.

**Pension Benefits.** Mr. Schlüter is the only named executive officer who is eligible for pension benefits for which we are obligated to pay. The following table sets forth, among other things, information regarding the actuarial present value of his accumulated pension benefits as of December 31, 2014.

**2014 PENSION BENEFITS (1)**

<b>Name</b>	<b>Plan Name</b>	<b>Number of Years Credited Service</b>	<b>Present Value of Accumulated Benefit</b>
Klemens T. Schlüter	Bayer Pensionskasse .....	18	\$ 222,400 (2)
	Supplemental Pension Promise .....	18	440,400 (2)
	Individual Pension Promise .....	18	<u>139,500 (2)</u>
			<u>\$ 802,300 (2)</u>

(1) Certain non-applicable columns have been omitted from this table.

(2) Mr. Schlüter will receive his pension and supplemental pension benefits in euros. We report these amounts in the table above in U.S. dollars based on an average exchange rate for 2014 of \$1.3380 per €1.00. For purposes of calculating the present values of his accumulated benefits, we assumed the following (actual benefits will be based on future facts and circumstances):

- his credited service and eligible earnings as of the measurement date for each fiscal year we used for financial statement reporting purposes for these plans would not change;
- his retirement at February 1, 2022 since he is eligible to retire without reducing his benefits at such date;
- the commencement of the payments of his benefits under these plans at February 1, 2022 since he is eligible to retire without reducing his benefits at such date;
- payments continuing for his life expectancy derived from a mortality table; and
- discount rate for present value calculations at December 31, 2014 of 2.25%, which rate is the same rate we used for financial statement reporting purposes in determining the present value of our aggregate accumulated benefits for all participants under these plans.

**Bayer Pensionskasse, Supplemental Pension Promise and Individual Pension Promise.** Employees of our German operations who have been employed since prior to January 1, 2005 are covered by the Bayer Pensionskasse. Each employee contributes 2% of eligible earnings excluding bonus, up to the social security contribution ceiling (€71,400 in 2014) and the Bayer Pensionskasse provides an annual benefit of 44% of such employee's accumulated contributions. The purpose of this plan is to provide funded, tax-qualified benefits up to the German social security contribution ceiling.

The Supplemental Pension Promise also covers all employees of the German operations who have completed ten years of service. Our German operations accrue 11.25% of the participants' eligible annual earnings excluding bonus in excess of the social security contribution ceiling, up to a maximum of €128,520. The Supplemental Pension Promise provides an annual retirement benefit of 20% of all accruals made by our German operations. The purpose of this plan is to provide participants with a benefit in excess of what would be provided under the Bayer Pensionskasse due to the German social security contribution ceiling.

The Individual Pension Promise covers each of nine department heads of our German operations. The Individual Pension Promise provides an annual retirement benefit of €6,135 to the nine department heads. The purpose of this plan is to provide certain of our more highly compensated German employees with a benefit in excess of what would be provided under the Bayer Pensionskasse and the Supplemental Pension Promise due to the combined ceiling of €128,520 of those plans.

Mr. Schlüter is eligible to receive a pension through the Bayer Pensionskasse, the Supplemental Pension Promise and the Individual Pension Promise. Benefits for each of these plans are payable upon retirement and the attainment of ages specified in the plans. In each case under these three plans, he is currently eligible to retire and receive unreduced benefits at age 65.

**Nonqualified Deferred Compensation.** We do not owe any nonqualified deferred compensation to our named executive officers.

**Director Compensation.** Our directors are entitled to receive compensation for their services as directors. The table below reflects the annual rates of their retainers for 2014.

	2014 Director Retainers
Each director.....	\$25,000
Chairman of our audit committee and any member of our audit committee whom the board identified as an “audit committee financial expert” (provided that if one person served in both capacities only one such retainer was paid).....	\$30,000
Other members of our audit committee .....	\$15,000
Members of our other committees .....	\$5,000

Additionally, our directors receive a fee of \$1,000 per day for attendance at meetings of the board of directors or its committees and an hourly rate (not to exceed \$1,000 per day) for other services rendered on behalf of our board of directors or its committees. If a director dies while serving on our board of directors, his designated beneficiary or estate will be entitled to receive a death benefit equal to the annual retainer then in effect. We reimburse our directors for reasonable expenses incurred in attending meetings and in the performance of other services rendered on behalf of our board of directors or its committees.

As discussed in footnote 2 to the 2014 Grants of Plan-Based Awards Table, on the day of each annual stockholder meeting, each of our directors elected on that date receives a grant of shares of our common stock as determined by the closing price of a share of our common stock on the date of such meeting. The following table provides information with respect to compensation certain of our directors earned for their 2014 director services provided to us.

#### 2014 DIRECTOR COMPENSATION (1)

Name	Fees Earned or Paid in Cash (2)	Stock Awards	Total
Keith R. Coogan .....	\$53,000	\$14,720 (3)	\$67,720
Loretta J. Feehan (4).....	24,750	14,720 (3)	39,470
Cecil H. Moore, Jr. ....	63,000	14,720 (3)	77,720
Thomas P. Stafford.....	52,000	14,720 (3)	66,720
R. Gerald Turner.....	53,000	14,720 (3)	67,720
C. Kern Wildenthal.....	52,000	14,720 (3)	66,720

- (1) Certain non-applicable columns have been omitted from this table. See footnotes 2 and 3 to the 2014 Summary Compensation Table and 2014 Grants of Plan-Based Awards Table in this proxy statement for compensation Bobby D. O’Brien and Steven L. Watson earned from us for director services.
- (2) Represents cash retainers and meeting fees the director earned for director services he or she provided to us in 2014.
- (3) Represents the value of 1,000 shares of our common stock we granted to each of these directors on May 21, 2014. For the purposes of this table, we valued these stock awards at the \$14.72 closing price per share of such shares on their date of grant, consistent with the requirements of Financial Accounting Standards Board Accounting Standards Codification Topic 718.
- (4) Our board of directors first elected Ms. Feehan to our board of directors on February 19, 2014 and accordingly her director compensation reflects that she did not serve as a director for all of 2014.

***Compensation Policies and Practices as They Relate to Risk Management.*** We believe that the risks arising from our compensation policies and practices are not reasonably likely to have a material adverse effect on us. In reaching this conclusion, we considered the following:

- other than stock grants to our directors, we do not grant equity awards to our employees, officers or other persons who provide services to us under our ISA with Contran, which mitigates taking excessive or inappropriate risk for short-term gain that might be rewarded by equity compensation;
- our executive officers employed by us are eligible to receive incentive bonus payments that are determined on a discretionary basis and do not guarantee the employee a particular level of bonus based on the achievement of a specified performance or financial target, which also mitigates taking excessive or inappropriate risk for short-term gain;
- our other key employees are eligible to receive bonuses determined in part on the achievement of specified performance or financial targets, but the chance of such employees undertaking actions with excessive or inappropriate risk for short-term gain in order to achieve such bonuses is mitigated because:
  - o our executive officers employed by us who are responsible for setting the specified performance or financial targets are not eligible to receive bonuses based on the achievement of the targets, but instead are only eligible for the discretionary-based bonuses described above; and
  - o there exist ceilings for our other key employee bonuses (which are not a significant part of their compensation) regardless of the actual level of our financial performance achieved;
- our officers and other persons who provide services to us under our ISA with Contran do not receive compensation from us directly and are employed by Contran, one of our parent corporations, which aligns such officers and persons with the long-term interests of our stockholders;
- since we are a controlled company, as previously discussed, management has a strong incentive to understand and perform in the long-term interests of our stockholders; and
- our experience is that our employees are appropriately motivated by our compensation policies and practices to achieve profits and other business objectives in compliance with our oversight of material short and long-term risks.

For a discussion of our compensation policies and practices for our executive officers, please see the Compensation Discussion and Analysis section of this proxy statement.

***Compensation Consultants.*** Neither our board of directors, management development and compensation committee nor management has engaged any compensation consultants.

## **SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act requires our executive officers, directors and persons who own more than 10% of a registered class of our equity securities to file reports of ownership with the SEC, the NYSE and us. Based solely on the review of the copies of such forms and representations by certain reporting persons, we believe that for 2014 our executive officers, directors and 10% shareholders complied with all applicable filing requirements under section 16(a), except as previously disclosed in last year's proxy statement. Due to the inadvertence of her staff, Ms. Annette C. Simmons filed in 2015 a late Form 5.

## CERTAIN RELATIONSHIPS AND TRANSACTIONS

***Related Party Transaction Policy.*** As set forth in our code of business conduct and ethics, from time to time, we engage in transactions with affiliated companies. In addition, certain of our executive officers and directors serve as executive officers and directors of affiliated companies. With respect to transactions between or involving us and one or more of our affiliates, it is not a violation of the code if the transaction, in our opinion, is no less favorable to us than could be obtained from unrelated parties, or the transaction, in the absence of stockholder ratification or approval by our independent directors, is fair to all companies involved. Furthermore, the code provides that:

- directors and officers owe a duty to us to advance our legitimate interests when the opportunity to do so arises; and
- they are prohibited from (a) taking for themselves personally opportunities that properly belong to us or are discovered through the use of our property, information or position, (b) using corporate property, information or position for improper personal gain and (c) competing with our interests.

Our executive officers are responsible for applying this policy to related parties. No specific procedures are in place, however, that govern the treatment of transactions among us and our related entities, although we and such entities may implement specific procedures as appropriate for particular transactions. Provided, in our judgment, the standard set forth in the code of business conduct and ethics is satisfied, we believe, given the number of companies affiliated with Contran, that related party transactions with our affiliates, in many instances (such as achieving economies of scale), are in our best interest. In certain instances, our executive officers may seek the approval or ratification of such transactions by our independent directors, but there is no quantified threshold for seeking this approval.

***Relationships with Related Parties.*** As set forth under the Security Ownership section of this proxy statement, Lisa K. Simmons, Serena Simmons Connelly and Annette C. Simmons may be deemed to control us. We and other entities that may be deemed to be controlled by or related to Ms. Lisa Simmons, Ms. Connelly and Ms. Annette Simmons sometime engage in the following:

- intercorporate transactions, such as guarantees, management, expense and insurance sharing arrangements, tax sharing agreements, joint ventures, partnerships, loans, options, advances of funds on open account and sales, leases and exchanges of assets, including securities issued by both related and unrelated parties; and
- common investment and acquisition strategies, business combinations, reorganizations, recapitalizations, securities repurchases and purchases and sales (and other acquisitions and dispositions) of subsidiaries, divisions or other business units, which transactions have involved both related and unrelated parties and have included transactions that resulted in the acquisition by one related party of an equity interest in another related party.

We periodically consider, review and evaluate and understand that Contran and related entities periodically consider, review and evaluate such transactions. Depending upon the business, tax and other objectives then relevant and restrictions under indentures and other agreements, it is possible that we might be a party to one or more of such transactions in the future. In connection with these activities, we may consider issuing additional equity securities or incurring additional indebtedness. Our acquisition activities have in the past and may in the future include participation in acquisition or restructuring activities conducted by other companies that may be deemed to be related to Ms. Lisa Simmons, Ms. Connelly and Ms. Annette Simmons.

Certain directors or executive officers of CompX, Contran, NL or Valhi also serve as our directors or executive officers. Such relationships may lead to possible conflicts of interest. These possible conflicts of interest may arise under circumstances in which such companies may have adverse interests. In such an event, we implement such procedures as are appropriate for the particular transaction.

***Intercorporate Services Agreements.*** As discussed elsewhere in this proxy statement, we and certain related companies have entered into ISAs. Under the ISAs, employees of one company provide certain services,

including executive officer services, to the other company on an annual fixed fee basis. The services rendered under the ISAs may include executive, management, financial, internal audit, accounting, tax, legal, insurance, real estate management, environmental management, risk management, treasury, aviation, human resources, technical, consulting, administrative, office, occupancy and other services as required from time to time in the ordinary course of the recipient's business. The fees paid pursuant to the ISAs are generally based upon an estimated percentage of the time devoted by employees of the provider of the services to the business of the recipient and the employer's cost related to such employees, which includes the expense for the employees' compensation and an overhead component that takes into account other employment related costs. Generally, each of the ISAs renews on a quarterly basis subject to termination by either party pursuant to a written notice delivered 30 days prior to the start of the next quarter. Because of the number of companies related to Contran and us, we believe we benefit from cost savings and economies of scale gained by not having certain management, financial, legal, tax, real estate and administrative staffs duplicated at each company, thus allowing certain individuals to provide services to multiple companies. With respect to a publicly held company that is a party to an ISA, the ISA and the related aggregate annual charge are approved by the independent directors of the company after receiving the recommendation from the company's management development and compensation committee as well as the concurrence of the chief financial officer. See the Compensation of our Named Executive Officers Employed by Contran part of the Compensation Discussion and Analysis section in this proxy statement for a more detailed discussion on the procedures and considerations taken by our independent directors in approving the aggregate 2014 fee charged to us under our ISA with Contran.

In 2014, we paid Contran fees of approximately \$12.3 million for its services under our ISA with Contran, including amounts for the services of certain of our named executive officers that are employees of Contran, as disclosed in the 2014 Summary Compensation Table in this proxy statement. In 2015, we expect to pay Contran fees of approximately \$13.4 million for its services under this ISA, including the services of certain of our named executive officers that are employees of Contran. We also paid director compensation and expenses directly to Messrs. Watson and O'Brien for their services as our directors, as disclosed above in the 2014 Summary Compensation Table and the 2014 Director Compensation Table.

***Risk Management Program.*** We and Contran participate in a combined risk management program. Pursuant to the program, Contran and certain of its subsidiaries and related entities, including us and certain of our subsidiaries and related entities, as a group, purchase insurance policies and risk management services. The program apportions its costs among the participating companies. Tall Pines and EWI provide for or broker the insurance policies. Tall Pines purchases reinsurance for substantially all of the risks it underwrites. EWI also provides claims and risk management services and, where appropriate, engages certain third-party risk management consultants. Tall Pines is a captive insurance company wholly owned by Valhi. EWI is a reinsurance brokerage and risk management company wholly owned by NL. Tall Pines purchases reinsurance from third-party insurance carriers with an A.M. Best Company rating of generally at least an "A-" (excellent) for substantially all of the risks it underwrites. Consistent with insurance industry practices, Tall Pines and EWI receive commissions from insurance and reinsurance underwriters and/or assess fees for the policies that they provide or broker.

With respect to certain of such jointly owned insurance policies, it is possible that unusually large losses incurred by one or more insureds during a given policy period could leave the other participating companies without adequate coverage under that policy for the balance of the policy period. As a result, Contran and certain of its subsidiaries or related companies, including us, have entered into a loss sharing agreement under which any uninsured loss is shared by those companies who have submitted claims under the relevant policy. We believe the benefits in the form of reduced premiums and broader coverage associated with the group coverage for such policies justify the risks associated with the potential for any uninsured loss.

During 2014, we paid Tall Pines and EWI in the aggregate approximately \$10.7 million, including approximately \$2.0 million paid by Louisiana Pigment Company, L.P., a partnership of which one of our wholly owned subsidiaries and a subsidiary of Huntsman Corporation (NYSE: HUN) each owns 50%. These amounts principally represent payments for insurance premiums, which include premiums or fees paid to Tall Pines and commissions or fees paid to EWI. These amounts also include payments to insurers or reinsurers through EWI for the reimbursement of claims within our applicable deductible or retention ranges that such insurers and reinsurers paid to third parties on our behalf, as well as amounts for claims and risk management services and various other third-party fees and expenses incurred by the program. In our opinion, the program's allocations of its costs among us and our related entities are reasonable. We believe the amounts that we, our subsidiaries and Louisiana Pigment

Company, L.P. paid for the combined risk management program are less than the costs we would have incurred had we entirely used unrelated third parties for the services the program provided. We expect that these relationships with Tall Pines and EWI will continue in 2015. Because we believe there is no conflict of interest regarding our participation in the combined risk management program, our audit committee received periodic reports regarding this program but we did not ask our independent directors to approve it.

**Tax Matters.** We and our qualifying subsidiaries are members of the consolidated U.S. federal tax return of which Contran is the parent company, which we refer to as the “Contran Tax Group.” As a member of the Contran Tax Group and pursuant to certain tax sharing agreements or policies, each of the members and its qualifying subsidiaries compute provisions for U.S. income taxes on a separate company basis using tax elections made by Contran. Pursuant to the tax sharing agreements or policies and using tax elections made by Contran, each of the parties makes payments or receives payments in amounts it would have paid to or received from the U.S. Internal Revenue Service had it not been a member of the Contran Tax Group but instead had been a separate taxpayer. Refunds are generally limited to amounts previously paid under the respective tax sharing agreement or policy. We and our qualifying subsidiaries are also a part of consolidated tax returns filed by Contran in certain U.S. state jurisdictions. The terms of the applicable tax sharing agreements or policies also apply to state payments to these jurisdictions.

Under applicable law, we, as well as every other member of the Contran Tax Group, are each jointly and severally liable for the aggregate federal income tax liability of Contran and the other companies included in the group for all periods in which we are included in the group. Under our tax agreement with Valhi, Valhi agrees to indemnify us for any liability for income taxes of the Contran Tax Group in excess of our tax liability previously computed and paid by us in accordance with the tax allocation policy.

Under certain circumstances, tax regulations could require Contran to treat items differently than we would have treated them on a stand-alone basis. In such instances, accounting principles generally accepted in the United States of America require us to conform to Contran’s tax elections. For 2014, pursuant to our tax sharing agreement and policies with Valhi, we made net cash payments for income taxes to Valhi of approximately \$8.2 million. Because the calculation of our tax payments or refunds is determined pursuant to applicable tax law, we believe there is no conflict of interest regarding our tax sharing agreement and policies with Valhi. Consequently, our independent directors received periodic reports regarding such tax sharing agreement and policies but were not asked to approve our tax agreement or policies or the resulting payments or refunds for income taxes.

**Contran Loan.** In 2013, we voluntarily prepaid an aggregate \$290 million principal amount under our \$400 million term loan issued in 2012 with Wells Fargo Bank, National Association, as administrative agent. The funds for such prepayment were provided in part by borrowings of \$190 million under a new loan from Contran. The Contran loan contained terms and conditions similar to the terms and conditions of the Wells Fargo term loan, except that the Contran loan was unsecured and contained no financial maintenance covenant. The largest principal amount borrowed under the Contran loan during 2014 was \$170 million. Since the Contran loan was for other than cash management purposes, management asked our independent directors to consider the loan and the independent directors approved the loan. In February 2015, we entered into a new term loan, and used \$170 million of the net proceeds of the new term loan to prepay the outstanding balance of our loan from Contran, and such loan from Contran was canceled. In 2014, we paid Contran \$1.6 million for interest on the Contran loan.

**Related Party Loans for Cash Management Purposes.** From time to time, loans and advances are made between us and various related parties pursuant to term and demand notes. These loans and advances are entered into principally for cash management purposes pursuant to our cash management program. When we loan funds to related parties, we are generally able to earn a higher rate of return on the loan than we would earn if the funds were invested in other instruments. While certain of such loans may be of a lesser credit quality than cash equivalent instruments otherwise available to us, we believe that we have evaluated the credit risks involved, and that those risks are reasonable and reflected in the terms of the applicable loans. When we borrow from related parties, we are generally able to pay a lower rate of interest than we would pay if we borrowed from unrelated parties.

During 2014, we had an unsecured revolving promissory note with Valhi whereby we agreed to loan Valhi up to \$100 million. Our loan to Valhi, as amended, bears interest at the prime rate plus 1.00%, payable quarterly and all principal and unpaid interest due on demand, but in any event no earlier than December 31, 2016. The principal amount of our outstanding loans to Valhi at any time is at our discretion. During 2014, we had no

outstanding loans to Valhi under this promissory note, and we received unused commitment fees from Valhi under this note of approximately \$0.5 million. Because this facility was for cash management purposes, our independent directors received periodic reports regarding this facility, but we did not ask our independent directors to approve it.

**Data Recovery Program.** We and Contran participate in a combined information technology data recovery program that Contran provides from a data recovery center that it established. Pursuant to the program, Contran and certain of its subsidiaries and related entities, including us and certain of our subsidiaries and related entities, as a group share information technology data recovery services. The program apportions its costs among the participating companies. We paid Contran \$116,000 for such services in 2014. We expect that this relationship with Contran will continue in 2015. Because we believe there is no conflict of interest regarding our participation in the combined information technology data recovery program, our independent directors received periodic reports regarding such program, but we did not ask our independent directors to approve it.

**Simmons Family Matters.** As set forth under the Security Ownership section of this proxy statement, Lisa K. Simmons, Serena Simmons Connelly and Annette C. Simmons may be deemed to control us. In 2014, L. Andrew Fleck, the son of Annette C. Simmons, provided certain real property management services to us pursuant to this ISA. The portion of the fees we paid to Contran in 2014 pursuant to this ISA attributable to the services of Mr. Fleck was less than \$120,000. We expect the portion of the fees we will pay under this ISA for 2015 attributable to the services of Mr. Fleck to be a similar amount. See the Intercorporate Services Agreements section above for a more detailed discussion on the procedures and considerations taken by our independent directors in approving the aggregate 2014 ISA fee Contran charged us.

## AUDIT COMMITTEE REPORT

Our audit committee of the board of directors is composed of five directors and operates under a written charter adopted by the board of directors. All members of our audit committee meet the independence standards established by the board of directors and the NYSE and promulgated by the SEC under the Sarbanes-Oxley Act of 2002. One member of our audit committee meets the audit committee financial expert requirements under the applicable SEC rules. The audit committee charter is available on our website at [www.kronosww.com](http://www.kronosww.com) under the corporate governance section, and our audit committee reviews the adequacy of and compliance with such charter annually.

Our management is responsible for, among other things, preparing our consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, or “GAAP,” establishing and maintaining internal control over financial reporting (as defined in Securities Exchange Act Rule 13a-15(f)) and evaluating the effectiveness of such internal control over financial reporting. Our independent registered public accounting firm is responsible for auditing our consolidated financial statements in accordance with the standards of the PCAOB, and for expressing an opinion on the conformity of the financial statements with GAAP. Our independent registered public accounting firm is also responsible for auditing our internal control over financial reporting in accordance with such standards and for expressing an opinion on our internal control over financial reporting.

Our audit committee assists the board of directors in fulfilling its responsibility to oversee management’s implementation of our financial reporting process and the audits of our consolidated financial statements and our internal control over financial reporting. Our audit committee is directly responsible for the appointment, compensation, retention and oversight of our independent registered public accounting firm. As part of fulfilling this responsibility, our audit committee engages in an annual evaluation of, among other things, the firm’s qualifications, competence, integrity, expertise, performance, independence and communications with the committee (including these factors as they relate specifically to the firm’s lead audit engagement partner), and whether the current firm should be retained for the upcoming year’s audit. Our audit committee discusses with our independent registered public accounting firm the overall scope and plans for the audits they will perform, and the committee meets with the firm throughout the year, both with and without management being present, to monitor the firm’s execution of and results obtained from their audits. Our audit committee performs other activities throughout the year, in accordance with the responsibilities of the audit committee specified in the audit committee charter.

In its oversight role, our audit committee reviewed and discussed our audited consolidated financial statements and our internal control over financial reporting with management and with PwC, our independent registered public accounting firm for 2014. Management and PwC indicated that our consolidated financial statements as of and for the year ended December 31, 2014 were fairly stated in accordance with GAAP and that our internal control over financial reporting was effective as of December 31, 2014. Our audit committee discussed with PwC and management the significant accounting policies used and significant estimates made by management in the preparation of our audited consolidated financial statements, and the overall quality of management’s financial reporting process. Our audit committee and PwC also discussed any issues deemed significant by PwC or the committee, including the matters required to be discussed pursuant to the standards of the PCAOB, the rules of the SEC and other applicable regulations. PwC has provided to our audit committee written disclosures and the letter required by applicable requirements of the PCAOB regarding the independent registered public accounting firm’s communications with the audit committee concerning independence, and our audit committee discussed with PwC the firm’s independence. Our audit committee also concluded that PwC’s provision of other permitted non-audit services to us and our related entities is compatible with PwC’s independence.

Based upon the foregoing considerations, our audit committee recommended to the board of directors that our audited consolidated financial statements be included in our 2014 Annual Report on Form 10-K for filing with the SEC.

Members of our audit committee of the board of directors respectfully submit the foregoing report.

## INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM MATTERS

**Independent Registered Public Accounting Firm.** PwC served as our independent registered public accounting firm for the year ended December 31, 2014. Our audit committee has appointed PwC to review our quarterly unaudited condensed consolidated financial statements to be included in our Quarterly Report on Form 10-Q for the first quarter of 2015. We expect PwC will be considered for appointment to:

- review our quarterly unaudited condensed consolidated financial statements to be included in our Quarterly Reports on Form 10-Q for the second and third quarters of 2015 and the first quarter of 2016; and
- audit our annual consolidated financial statements and internal control over financial reporting for the year ending December 31, 2015.

Representatives of PwC are not expected to attend our 2015 annual stockholder meeting.

**Fees Paid to PricewaterhouseCoopers LLP.** The following table shows the aggregate fees that our audit committee has authorized and PwC has billed or is expected to bill to us for services rendered for 2013 and 2014. Additional fees for 2014 may subsequently be authorized and paid to PwC, in which case the amounts disclosed below for fees paid to PwC for 2014 would be adjusted to reflect such additional payments in our proxy statement relating to next year's annual stockholder meeting.

<b>Total</b> .....	<b><u>\$ 2,717</u></b>	<b><u>\$ 2,786</u></b>

- (1) Fees for the following services:
  - (a) audits of consolidated year-end financial statements for each year and, as applicable, of internal control over financial reporting;
  - (b) reviews of the unaudited quarterly financial statements appearing in Forms 10-Q for each of the first three quarters of each year;
  - (c) consents and/or assistance with registration statements filed with the SEC;

  - (e) the estimated out-of-pocket costs PwC incurred in providing all of such services, for which PwC is reimbursed.
- (2) Fees for assurance and related services reasonably related to the audit or review of financial statements for each year. These services included accounting consultations and attest services concerning financial accounting and reporting standards and advice concerning internal control over financial reporting, as applicable.
- (3) Permitted fees for tax compliance, tax advice and tax planning services.

**Preapproval Policies and Procedures.** For the purpose of maintaining the independence of our independent registered public accounting firm, our audit committee has adopted policies and procedures for the preapproval of audit and other permitted services the firm provides to us or any of our subsidiaries. We may not engage the firm to render any audit or other permitted service unless the service is approved in advance by our audit committee pursuant to the committee's preapproval policy. Pursuant to the policy:

- the committee must specifically preapprove, among other things, the engagement of our independent registered public accounting firm for audits and quarterly reviews of our financial statements, services associated with certain regulatory filings, including the filing of registration

statements with the SEC, and services associated with potential business acquisitions and dispositions involving us; and

- for certain categories of other permitted services provided by our independent registered public accounting firm, the committee may preapprove limits on the aggregate fees in any calendar year without specific approval of the service.

These other permitted services include:

- audit-related services, such as certain consultations regarding accounting treatments or interpretations and assistance in responding to certain SEC comment letters;
- audit-related services, such as certain other consultations regarding accounting treatments or interpretations, employee benefit plan audits, due diligence and control reviews;
- tax services, such as tax compliance and consulting, transfer pricing, customs and duties and expatriate tax services; and
- assistance with corporate governance matters and filing documents in foreign jurisdictions not involving the practice of law.

The policy also lists certain services for which the independent auditor is always prohibited from providing us under applicable requirements of the SEC or the PCAOB.

Pursuant to the policy, our audit committee has delegated preapproval authority to the chairman of the committee or his designee to approve any fees in excess of the annual preapproved limits for these categories of other permitted services provided by our independent registered public accounting firm. The chairman must report any action taken pursuant to this delegated authority at the next meeting of the committee.

For 2014, our audit committee preapproved all of PwC's services provided to us or any of our subsidiaries in compliance with our preapproval policy without the use of the SEC's *de minimis* exception to such preapproval requirement.

**PROPOSAL 2**  
**NONBINDING ADVISORY RESOLUTION ON NAMED EXECUTIVE OFFICER COMPENSATION**

**Background.** Pursuant to Section 14A of the Securities Exchange Act, a publicly held company is required to submit to its stockholders a nonbinding advisory vote to approve the compensation of its named executive officers, commonly known as a “Say-on-Pay” proposal. On May 12, 2011, our stockholders approved, on a nonbinding advisory basis, an annual Say-on-Pay. After the 2015 Annual Meeting of Stockholders, the next nonbinding stockholder advisory vote on a Say-on-Pay proposal will be at our 2016 Annual Meeting of Stockholders. The next nonbinding stockholder advisory vote on the frequency of a Say-on-Pay proposal will be at our 2017 Annual Meeting of Stockholders.

**Say-on-Pay Proposal.** This proposal affords our stockholders the opportunity to submit a nonbinding advisory vote on our named executive officer compensation. The Compensation Discussion and Analysis section, the tabular disclosure regarding our named executive officer compensation and the related disclosure in this proxy statement describe our named executive officer compensation and the compensation decisions made by our management and our management development and compensation committee of the board of directors with respect to our named executive officers. This proposal is not intended to address any specific element of compensation of our named executive officers as described in this proxy statement, but the compensation of our named executive officers in general. Our board of directors requests that each stockholder cast a nonbinding advisory vote to adopt the following resolution:

**RESOLVED**, that, by the affirmative vote of the holders of the majority of the outstanding shares present in person or represented by proxy at the 2015 annual stockholder meeting and entitled to vote on the subject matter, the stockholders of Kronos Worldwide, Inc. approve, on a nonbinding advisory basis, the compensation of its executive officers named in the 2014 Summary Compensation Table in the 2015 annual meeting proxy statement of Kronos Worldwide, Inc. as such compensation is disclosed in the proxy statement pursuant to the executive compensation disclosure rules of the U.S. Securities and Exchange Commission, which disclosure includes the compensation discussion and analysis, the compensation tables and any related disclosure in the proxy statement.

**Effect of the Proposal.** The Say-on-Pay proposal is nonbinding and advisory. Our stockholders’ approval or disapproval of this proposal will not require our board of directors, its management development and compensation committee or our management to take any action regarding our executive compensation practices.

**Vote Required.** Because this proposal is a nonbinding advisory vote, there is no minimum requisite vote to approve the Say-on-Pay proposal. The proposed resolution provides that the affirmative vote of the holders of the majority of the outstanding shares present in person or represented by proxy at the 2015 annual stockholder meeting and entitled to vote on the subject matter will be the requisite vote to adopt the resolution and approve the compensation of our named executive officers as such compensation is disclosed in this proxy statement. Accordingly, abstentions will be counted as represented and entitled to vote and will therefore have the effect of a negative vote. Broker/nominee non-votes will not be counted as entitled to vote and will have no effect on this proposal.

As already disclosed, Valhi and NL are the direct holders of 50.0% and 30.4%, respectively, of the outstanding shares of our common stock as of the record date and have each indicated their intention to have their shares of our common stock represented at the meeting and to vote such shares FOR the Say-on-Pay proposal and adoption of the resolution that approves the compensation of our named executive officers as described in this proxy statement. If Valhi alone attends the meeting in person or by proxy and votes as indicated, the meeting will have a quorum present and the stockholders will adopt the resolution and approve the nonbinding advisory Say-on-Pay proposal.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** THE SAY-ON-PAY PROPOSAL AS SET FORTH IN THE NONBINDING ADVISORY RESOLUTION APPROVING OUR NAMED EXECUTIVE OFFICER COMPENSATION AS DISCLOSED IN THIS PROXY STATEMENT.

## **OTHER MATTERS**

The board of directors knows of no other business that will be presented for consideration at the annual meeting. If any other matters properly come before the meeting, the persons designated as agents in the enclosed proxy card will vote on such matters in their discretion.

## **2014 ANNUAL REPORT ON FORM 10-K**

A copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2014 is included as part of the annual report furnished to our stockholders with this proxy statement and may also be accessed on our website at [www.kronosww.com](http://www.kronosww.com).

## **STOCKHOLDERS SHARING THE SAME ADDRESS**

Stockholders who share an address and hold shares through a brokerage firm or other nominee may receive only one copy of the notice of internet availability of proxy materials. This procedure, referred to as householding, reduces the volume of duplicate information stockholders receive and reduces mailing and printing expenses. A number of brokerage firms have instituted householding. You should notify your brokerage firm or other nominee if:

- you no longer wish to participate in householding and would prefer to receive a separate notice of internet availability of proxy materials; or
- you receive multiple copies of the notice of internet availability of proxy materials at your address and would like to request householding of our communications.
